Chamaraja Nagar.

Date: 16th September 2023

Dear Hon'ble Vice Chancellor

Sub: Collaboration between Sigma+ and Chamaraja Nagar University

We pleased to introduce Sigma + headquartered at Goa and Regional Office at Mysuru involved in capacity building and University development and corporate relations.

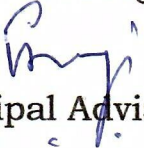

We at Sigma enable the following services for newly start up universities and institutions for their brand building and reaching through high quality deliverables.

1. Industry Interaction and setting up of Industry Institution Academia.
2. Training of faculty and students in the areas of industry ready value add on programs, entrepreneurship, establishment skill development library and placement assistance.
3. International collaborations and support in CSR.
4. Enabling signups of MOUs with corporates and institutions.

In agreement we sign MOU and work on project-based commercials for the University and institutions coming under University.

Look forward to your letter of acceptance followed by MOU.

With warm regards

Dear Sir,

Thank you for visiting our University and having discussed various academic and Industry ready programs. We wish to collaborate with your esteemed organisation and implement innovation programs for the faculty members, students and University in particular. Considering your proposal we will take outcome based initiatives in the areas of capacity building, and industry collaboration and branding.

You may please submit proposals on individual project on or before 21st September 2023 for immediate taking up.

With regards

Yours Sincerely

16.09.2023

Vice Chancellor
